Farm Bureau Leaders Attend District Meeting in Temple

S. W. McClaren Jr., John A. Smith, H. M. Wimberly and Mrs. S. W. McClaren Jr. attended a District Farm Bureau meeting in Temple Tuesday, August 12 at the Kyle Hotel. Representatives from Milam, Bell, Lampasas and Williamson counties were in attendance.

Plans were discussed at this meeting to interest more farmers and ranchers in working out some solution to the farm problems which are facing the county at this time. Secretary Benson has asked the farmers and ranchers to get together and map out some workable solution to the farm problem.

This meeting was composed of all resolutions committees from the different counties represented. Every farmer and rancher from each community in each county should be thinking just what he, as an individual, wants in the farm program, the local office stated. These ideas should be brought into the county meeting to be formed into resolutions. From each county will go a group of resolutions to the State Farm Bureau Convention which will be held later in the Fall.

The meeting was presided over by District Director S. W. McClaren Jr., and Area Field Supervisor Wayne Little.

CHURCH FIRE

A small fire broke out Saturday in the New Providence Primitive Baptist Church. It was soon extinguished by members of the church and other nearby residents.

Cause of the fire, which began in a corner of the church, is unknown. Little damage was reported.

Mrs. Calvin Markham has returned to her home after undergoing surgery at a Waco hospital. Friends will be glad to know she is recovering nicely.

11 Milam Men Register This Month For Draft

Local Draft Board No. 92 reports that only 11 young men from Milam County registered during the month of July.

These young men, upon attaining the age of 18 years, were required to register under the Selective Service Law and will now be processed for classification by the local board. They are as follows:

Daniel, Bobby Joe, Sharp; Felfe, Gilbert Lee, Thorndale; Vandervort, Stuart Wayne, Cameron; Gilbreath, Dan Lawrence Thorndale; Pinchback, Elmo Junior, Sharpe; Moore, Alfred Roosevelt, Gause; Eubanks, David Earl, Rockdale; Reese, Raymond Howard, Gause Woods, Willie Vernon, Cameron; Thedford, Jewel Lesslie, San Gabriel; Shuemat, Johnny Max, Cameron.

Many men are now being discharged from service and are required to report to the local board office within 30 days after discharge. If they are already registered, then copies of their reports of separation are made and they are given a new classification. If they have never registered and were born after August 30, 1922, then they are required to register.

Two Cars Damaged As One Crashes Into Rear of Other

Two cars were damaged Sunday night in a crash about six miles south of Cameron.

John M. Quall, 21, of Fort Hood was driving a 1951 Buick sedan north on State Highway 36 about 10:10 p. m. Going in the same direction was a 1946 Chevrolet, driven by Carl M. Wyatt of Bellmead. Wyatt slowed down to pull off the road for a funeral procession which was going past. Quall, driving a little too fast, rammed the rear of the Wyatt car, according to a local Highway Patrolman.

Neither man was hurt but the automobiles were damaged. About \$800 damage was done to the Quall Buick, while the Wyatt Chevrolet escaped with only about \$100 damages.

No charges were filed.

October Draft Call Set at 23,000 Men

Washington, Aug. 11.—The Army issued a draft call Tuesday for the induction of 23,000 men during October.

The call continued the rate fixed since July, when the draft was cut sharply from a level of 53,000 inductions a month through May.

The June draft was 32,000 men. The total draft calls issued since the start of the Korean war now stands at 1,538,430.

The Defense Department said all inductions during October will be for the Army. The Navy, Marine Corps and Air Force are relying on volunteers.

Woman Injured In Saturday Night Auto Accident

An unidentified woman was injured in an automobile collision Saturday night on Farm Road 486.

Federico P. Villarreal of Kingsville was driving a 1948 GMC dump truck on 486 two miles north of Thorndale about 9:45 p. m. He ran into the rear of a 1940 Ford coach, driven by the unidentified woman. She was injured in the impact and taken to a Taylor hospital, a local Highway Patrolman reported.

Damage to the Ford was estimated at between \$200 and \$300. Charges of driving too fast for conditions have been filed against Villarreal.

Ladies' Night Set August 20 by Local Volunteer Firemen

At a meeting of Cameron Volunteer Firemen Monday night, Ladies' Night for the Fire Department was set for August 20. The annual barbecue will begin at 7:30 p. m. at the Knights of Columbus Hall.

Chairman of the food committee is John A. Smith; drinks, Bill Richter and Lincoln Mondrik; ticket sales, Don Humble; arrangements, Narvie Caperton.

Also at the Monday meeting, the firemen selected a nominating committee to choose new officers for 1953-54. Chairman of the committee was John A. Smith, with Carl Black, Buck Slavik, Dean White and Henry Siebman as members.

PMA Committeemen And Delegates To Be Elected August 18

Election of PMA Community Committeemen and Delegates to the County Convention will be held at the PMA County Office in Cameron on Tuesday, August 18.

Ballots have been mailed to all producers and must be returned to reach the office no later than August 18 at 5 p. m. There is only one polling place as votes may be returned by mail. The poll will close at 5 p. m. on August 18.

Postal Receipts for July Slightly Up

Postal receipts for the month of July were \$3,779.17, Postmaster John Hays stated Friday.

Receipts for July, 1952 were \$3,743.29, showing a gain of \$35.88. This increase is slightly less than one percent.

Bond Issue Approved

Among the bond issues approved recently by the office of Attorney General John Ben Shepperd was \$310,000 in refunding bonds for the Cameron Independent School District.

The bonds have been submitted by the Attorney General to the Comptroller of Public Accounts for registration.

Robert Sims Dies

Robert Sims of Rockdale died about 10 Friday morning. He was the brother-in-law of Conn Isaacs of Cameron.

Little Leaguers Win 1, Lose 1 To Westphalia

Cameron Little Leaguers closed this season's games at Rosebud last night with two games against the strong Westphalia teams. Approximately 150 to 200 people were out to witness the best games played this year.

Cameron boys ages 8, 9 and 10 lost the first game by a score of 8 to 11.

Under the excellent pitching and catching by "Chili" Williams and Lee Hollas, the 11, 12, and 13 year old Cameron boys slugged their way to victory in the last game by a score of 6 to 7 over the Westphalia League team.

As a note to "old-timers": There were only three Beach boys on the Westphalia team. Many Cameronites remember "Lofty" Beach, pitcher for Westphalia many years ago.

Rosebud has a nice baseball field at the present but due to crowded conditions they are going to have a new field next year with more lights. Through the Rosebud School Board and the Rosebud Chamber of Commerce a recreation director has been employed two months this summer.

The director has supervised such recreational activities as baseball, swimming and skating for the Rosebud youngsters. Buses have been furnished by the school board for transportation to Cameron for those interested in swimming.

Cameron could have such a program if the youngsters had sufficient backing. Such individuals as Leo Jackson, Joe O'Neil, Allen Dodson and "Doc" Speer have done a fine job this year in coaching the boys. But individuals can go just so far. Cameron children need the support of a civic organization or organizations. Any group who would be interested in sponsoring such a program either alone or in cooperation with another group is strongly urged to contact one of the above men.

Communists Release Four Prisoners Of War From This Area

Four men from this area are among those prisoners of war who have been released by the Communists since the exchange began.

Pfc. William H. Davis, son of Jetson L. Davis of Hearne, was among the Americans released in Thursday's Prisoner of War exchange in Korea.

Pfc. Davis was with Company L, 9th Regiment, 2nd Division before his capture.

Among the 112 American prisoners of war freed in Korea Saturday night were two from this area:

Cpl. L. V. Swain, Battery B, 53rd FA Bn., 2nd Div. He is the son of Paul Swain of Route 1, Gause.

Cpl. Purvis D. Webster, Btry A, 503rd FA Bn., 2nd Div. He is the son of Mrs. Mary Webster of Hearne.

Among the American prisoners of war who were freed Saturday (Korean time) was Pvt. Harold L. Grant of Temple.

His wife, Mrs. Rosa Lee Grant of Temple has not seen him in two years and two months. The couple have two daughters, the oldest four years old.

July Building Permits Reach Total of \$122,728

Construction of the new O. J. Thomas gymnasium in Cameron has boosted building permits for the month of July to \$122,728, it was reported Friday.

City Secretary Naomi Needham has reported that thirteen permits were issued for the month. The greatest part, \$92,000, of the total figure was a permit for construction of the new gym for the negro school.

Other building permits were four for new houses, totaling \$27,900; one for a wash rack, \$150; and seven for repairs and enlarging, totaling \$2,678.

Leaders in Rural Communities Asked To Attend Meeting

There will be a meeting for leaders from all rural communities in Milam County, Tuesday night, August 18, at 8 o'clock. It will be in the District Courtroom in Cameron and is open to the general public, both white and colored rural communities, J. D. Moore, county agent, announced Tuesday.

Mr. T. C. Richardson, Texas Editor of the Farmer-Stockman, will be the speaker. He is here primarily to help and encourage the communities that have entered, or want to enter, the Rural Neighborhood Progress Contest but leaders from other communities are urged to attend also.

Mr. Richardson will have colored slides to show in addition to his talk. The meeting will be entertaining as well as informative. Make plans to attend and bring your neighbors.

Migrant Workers Arriving in County For Cotton Picking

The Texas Employment office in Rockdale estimates that 650 migrant workers have come into the county for the cotton picking season. More are expected to arrive this weekend.

Labor seems plentiful at the present time, but if the cotton continues to open at the fast rate of the last few days, a shortage could develop.

The TEC had requests listed Monday for about 100 workers, and estimated that Tuesday's additions would up the total to 275.

Max McClaren, who is in charge of placing the workers in the Cameron area, stated Wednesday morning that about 12 crews had been placed Monday and Tuesday.

The TEC predicted that, if the weather remained favorable and labor was plentiful, this year's cotton picking season would be a short one.

B. L. Smith Guilty Of DWI; Fined \$50

B. L. Smith pled guilty August 6 in County Judge Charles C. Smith's court to the charge of driving while intoxicated.

He was fined \$50 and cost of court and his license to drive was suspended for six months.

Charges of driving while intoxicated were filed August 10 against Albert E. Key.

Cameron Melts As Mercury Soars To 106 Degree Mark

Cameron was barbecued to a turn Sunday as the temperature reached 106 degrees. Saturday's heat was almost as searing, for the thermometer at the Water Department plant registered 105. In contrast, Saturday's low was 75 and Sunday's minimum reading was 76 degrees.

Readings since Monday, Aug. 3, have been definitely in the "hot" category:

Monday, Aug. 3	high 99
	low 70
Tuesday, Aug. 4	high 99
	low 70
Wednesday, Aug. 5	high 100
	low 73
Thursday, Aug. 6	high 102
	low 75
Friday, Aug. 7	high 104
	low 76
Saturday, Aug. 8	high 105
	low 75
Sunday, Aug. 9	high 106
	low 76
Monday, Aug. 10	high 105
	low 77
Tuesday, Aug. 11	high 103
	low 77
Wednesday, Aug. 12	*high 99
	*low 74

Readings of 106 were reported Sunday in San Antonio and Austin, the hottest it had been in the latter city since June 21, 1936.

The hottest spot in the state was Cotulla with 109. It was 107 at Del Rio, Presidio and Laredo; 105 at Victoria, Bryan, Wink and Junction.

A thunderstorm cooled off the Dallas-Fort Worth area. Their Saturday readings of 108 were reduced to 89 in Fort Worth and 91 in Dallas. However, the storm brought only .3 of an inch of rain to Lake Dallas and even less, .09 of an inch, at the Dallas Weather Bureau office.

A tornado hit Wichita Falls about 7 p. m. Tuesday night, wrecking two barns and other farm buildings. Trees and signs were blown down in the northeastern part of the city.

Hail and rain followed the storm, with 1.02 inches of moisture being measured at the KFDX transmitter in Wichita Falls.

The buildings destroyed were a barn and other outbuildings on the Jack Ellis farm. These structures were valued at more than \$5,000. Another barn, whose value was set at \$3,000, was ruined on the John Williamson farm.

The storm extended into several parts of northern Texas and southern Oklahoma. One death, caused by lightning, was reported in Altus, Oklahoma.

GRASS FIRE

Cameron Volunteer Firemen were successful in quenching a grass fire which broke out near Pettibone about 1 a. m. Monday. Nothing was damaged in the fire.

Mr. and Mrs. Marshal Terry have returned from a vacation trip with their children.

Texas wheat farmers will cast their votes Friday in the first national wheat referendum in 12 years.

There will be only one polling place in Milam County for the purpose of the wheat referendum. Votes may be cast at the Milam County PMA office in Cameron on August 14, any time between the hours of 8 a. m. and 7 p. m.

Voting eligibility is explained: Each farmer who is engaged in the production of wheat for harvest in 1954 on a farm on which the acreage to be planted to wheat for harvest in 1954 is in excess of fifteen (15) acres and who is entitled to share in the proceeds of the 1954 wheat crop as owner, landlord (other than land lord of a standing rent, cash rent or fixed rent tenant), tenant or sharecropper shall be eligible to vote.

Approximately 50,000 farmers in 153 counties are expected to take part in the balloting to determine whether the nation's wheat farmers want marketing quotas on the 1954 crop as proclaimed by Secretary of Agriculture Ezra Taft Benson.

Quotas will be put into effect if two-thirds of those voting approve.

Voting places will be set up in all counties where wheat acreage allotments have been established.

Quotas are proclaimed when wheat supplies exceed the normal by more than 20 per cent. The normal supply this year is 1,156,000,000 bushels. On July 1, this year's crop was estimated at 1,717,000,000 bushels, or 48 per cent above normal supply.

String Prairie Consolidation To Be Decided At Election

A school election will be held August 28, 1953 at String Prairie to determine whether or not the String Prairie Common School District should consolidate with the Calvert Independent School District.

An election on this same issue was held February 21, 1953 with the resulting vote of five for and three against the consolidation. Oscar Smith filed suit against the Board of Trustees of the Calvert Independent School District, stating that the election was invalid.

This suit was tried in district court on Thursday, July 23. Judge O. D. Graham took the case for further study before offering his verdict. He ruled recently that the election was void and directed the proper authorities to call another election.

Mrs. Fred Greenhill Is New Manager Of Country Club

Mrs. Fred Greenhill assumed her duties as new Cameron Country Club manager on August 1. Past manager of the Woodlawn Country Club in Sherman for six years and the Hillsboro Country Club for 12 years, she has most recently managed the "Trivit Inn," a Hillsboro tea room, in partnership with Mrs. Davis of Hillsboro.

Mrs. Greenhill has one son, Fred, Jr., who is a commercial artist for Sanger Bros., in Dallas.

Two other new employees, Julia Epps and Mary Frances Miller, came with Mrs. Greenhill from Hillsboro and have worked with her for a number of years.

Under Mrs. Greenhill's supervision the club will feature excellent food at the dinner hour, with sandwiches and other light food available throughout the day.

Jim Miller, county attorney made a business trip to San Gabriel, Thorndale and Rockdale Tuesday.

Miss Betty Jean Shuffield was admitted August 8 to Newton Memorial Hospital for an appendectomy.

Schools Ready To Begin Big Year

Cameron Independent School District is getting ready for one of its biggest years in history. School is scheduled to open September 1.

In addition to having one of the largest enrollments on record, many new improvements are in the making. The school in the process of winding up a \$20,000 renovation program. Both Yoe High and Ada Henderson have been completely re-wired and modern light fixtures have been put in. A complete new plumbing system, including new rest room facilities, new drinking fountains and new water mains

for increased pressure, has been installed. The cafeteria has been completely renovated and repainted.

According to high school principal S. M. Layfield, the registration schedule for Yoe High School has not been completed because of a new course being offered in industrial arts.

Part of the building program to be completed before the start of school is the new vocational building now under construction between the gym and athletic field. This building will house class rooms and shops for both agriculture and industrial arts courses.

Supt. W. T. Hanes estimated that about \$3,000 worth of equipment would be put in the shops to start with. More will be added later. The equipment will consist mostly of hand tools with a few essential power tools. The school is still searching for an industrial arts teacher, and Hanes said what equipment went into the new building would depend largely on the recommendations of this specialist.

Of the \$390,000 bond issue passed this year, contracts have been let for \$180,000 to include the vocational building, a colored gym, renovation of plumbing and lighting of the white schools, and the purchase of property.

There has been considerable increase in the property owned by the school. The Green property just east of the high school has been purchased along with the Turner property just west of the gymnasium. Present plans are to close the street running just east of the present school grounds and move it to the east boundary of the Green land after the completion of a new elementary school on that property. The house has been moved from the Turner property and the ground will be leveled and made into playground

for the present elementary school. The street leading through what will be the new playground will be closed and construction of a safety lane off North Fannin Street has been discussed, where parents can pull in off the street to pick up their children. A covered walk may be built from the school to this spot. Storm fencing will be extended to surround the new ground. In all, the school has added about four acres of new land.

All in all, Cameron School District students will be attending classes in a much improved school this year.

THE LITTLE RIVER PHILOSOPHER HAS NEW IDEA FOR HELPING WASHINGTON MEET ITS OBLIGATIONS WITHOUT NEW TAXES

Editor's note: The Little River Philosopher on his Johnson grass farm at Marlow has had some impossible ideas in his time, but this one must top the list.

Dear editor:

I was out here yesterday afternoon sittin in the shade worryin about the national debt I find it's a whole lot more restful to worry about the national debt than the private debt, imper-sonal thinkin is a lot more effective and trouble-free than personal thinkin I know lots of men who can come closer to settin Wash-ington's financial difficulties than they can their own, and along about sundown I noticed a cow sniffin at something in the weeds and when I got up to go home I walked over there and dis-cov-ered it was a newspaper and I picked it up and put it in my pocket and after supper I read where some emissary from Wash-ington was just back from South American and he reported what that country needs is some cash from this country.

"If South America could man-age a little financing from the United States, it'd be a big help in fighting Communism and building a stronger country," the representative said.

"I've been thinkin. Now South America ain't the only country which could use a little cash. As I understand it, the United States could, too. I notice that President Eisenhower is strugglin with the problem of balancin the budget and has already found out we've promised to spend more money in the next few months than we got comin in and a special ses-sion of Congress may be neces-sary to raise the debt limit so we can borrow a little just to meet our current obligations, un-till some new sources of revenue can be found or the expenses can be cut.

I know this may sound revolu-tionary and in some countries even inhumane, but what I'd like

Farm Income Takes 18 Percent Drop Thus Far in 1953

Austin. — Farm income in drouth-hit Texas tumbled 18 per cent the first six months of 1953 under the comparable period a year ago, the University of Tex-as Bureau of Business Research reported Thursday.

The January-June total this year on the state's 331,000 farms was \$648,000,000, the report said. It was \$144,400,000 below 1952.

Cotton growers and cattle rais-ers lost the most money. Cotton income was down nearly \$77,000,-000 and income from cattle drop-ped \$82,000,000.

Cottonseed, sorghum and wheat earnings declined 80, 64 and 46 per cent, respectively.

Flaxseed, oats, sheep, lambs and eggs brought in higher earn-ings, but all gains added togeth-er wouldn't offset one-thirteenth of the loss from cotton alone, the bureau said.

to know is why don't we bor-rowin some money from a for-eign country ourself?

We've had every kind of rep-resentative imaginable goin abroad to see which country needs to borrow from us, and now that we're a little hard up for some ready cash ourselves, why don't we send out a borrowin mission of our own?

Or, to save a little money, why couldn't we just wire the fellows we already got abroad to stop lendin and start bor-rowin?

I know it would spread con-ternation abroad quicker than the news we'd discovered how to mass produce atom bombs at two-bits apiece and were gonna make practice drops clear around the world just to see what hap-pens, or it might be like you an-nouncin your paper was gonna publish a list of all the past-due accounts owe all the stores in Cameron next week, but in des-perate times desperate actions sometimes are called for.

If you think this borrowin mis-sion has any merit, let me know, and if Washington can't find any-body trained in borrowin to send abroad, I'll go. I've had consid-erably more experience borrowin than I have lendin.

Yours faithfully,
J. A.

Members of Farm Bureau Report On Four-Day Institute

Farm Bureau members who at-tended the Texas Farm Bureau Federation Institute at College Station last week have reported that it was most interesting and informative.

Among those attending the four day meet were Miss Lenora A. Bickett, William F. Arthur, Bruce Lindsey, Robert Jungmann, and S. W. McClaren.

Classes were held in such sub-jects as office secretarial man-agement, service agents duties, publicity, membership, philosophy and policies, officers' duties, and public speaking.

There were five classes in pub-lic speaking, comprising about 50 students. One student was selected from each class, as best speaker and gave an impromptu speech at the general assembly. Bruce Lindsey was selected from his class spoke extemporaneous-ly on the subject of "Why I Am a Farm Bureau Member."

The closing banquet was one of the highlights of the Institute.

CONTROL ARMY WORM IN LAWNS

By J. D. Moore, County Agent

The fall army worms general-ly found over the county feed-ing on grasses in the pastures are now feeding on the lawn gras-ses throughout the county. Many people have these worms feed-ing on the grass in their yard and don't know it.

The worms feed mostly on the chlorophyll or green body part of the blade of grass and leave the framework or skeleton form of the blade. This leaves the lawn grass with the appearance of white stripes running along the blades.

The worms are easy to control, using any of the following meth-ods:

- 2 tablespoon 60% toxaphene to 1 gallon water.
- 2 tablespoons 25% DDT emul-

sion to 1 gallon water.
2 tablespoon 75% chloro-dane to 1 gallon water.
5% or 10% chlorodane dusts are effective.

Five to 10 gallons of any of the above liquids should con-trol these worms in the average size yard. The solutions can be sprayed from a small shoulder sprayer, such as is used to com-bat indoor insects.

Harvesting a Better America

Rubbed my eyes yesterday when I saw Hap Jackson's truck in Biff Morgan's alfalfa field... helping Biff get in his cutting.

Since they've been carrying on a friendly argument for years (over how much fertilizer to use per acre of alfalfa), I had to ask Hap what was going on.

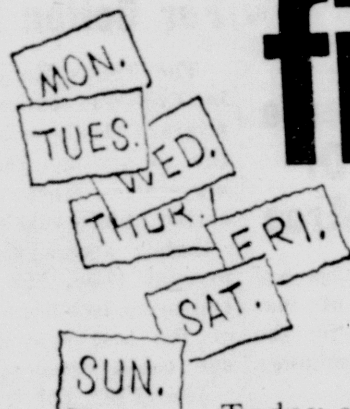

"Got my own crop in safely last week," he says. "And since Biff's boy is at the summer en-campment of the National Guard, I figured the least I could do was to help him out. After all," Hap went on, "there's no argument

over how important the National Guard is to all of us."

From where I sit, a fellow like me, who's too old to get in the Guard, can still vote, do a turn at jury duty, and respect others' rights. Even a little thing like re-specting a neighbor's right to have, say, beer or buttermilk at dinner is important if we want to keep America strong. We have to be on "guard" in more ways than one these days!

Esso Extra GASOLINE

for the CA — champion tractor of the two-plow class

Now Allis-Chalmers offers 2-way plowing... two 12- or 14-inch bottoms... for the CA Tractor.

This spinner-type, close-coupled, 2-way plow eliminates dead furrows. On flat land the field is plowed level from side to side — so essential for irrigation and good surface drainage. On hillsides and rolling land... all furrows are turned uphill to resist downward creeping of the soil and to reduce runoff.

Priced only slightly higher than a one-way moldboard plow, the new 2-way plow is hydraulically lifted and uses CA Traction Booster to put extra weight on drive wheels.

Let us demonstrate.

Explorer Scouts To Attend Meet At Connally AF Base

Explorer Scouts from two Cameron units, Post 55, and Crew 83, are making plans to attend the Heart O' Texas Council Explorer Rendezvous at James Connally Air Force Base, August 16-19, Gene Blake, District Chairman announced this week.

The four day program for the Explorers has been built around Air Force facilities available at James Connally A. F. B. and will expose the Explorers to many new experiences such as: Radar Scope instruction, Link Trainer, Meteorology, instruction and training films and observation of the flight characteristics and the fuel system of the T-33 jet trainer, experience in the pressure chamber with lectures and training in high altitude flight and oxygen equipment, field sports, and training in radar interception.

Two special features which have been included in the crowded program include a social on Tuesday evening, and the Council-wide Explorer Swim Meet, Tuesday after-

noon.

High point of the four-day Rendezvous for these Explorers whose parents have granted permission will be the scheduled orientation flight in the brand new T-29 Navigational training aircraft.

"Individual Explorers who have not received word of the Rendezvous may obtain detailed information from their Advisors, however, the Air Force has made one requirement which may prevent some of the Explorers from attending—they must have and wear the Explorer Uniform," Mr. Blake said. "Other than that, everything else is easy—the \$5 fee and the reservation in to the Council office by August 10.

Slaughter Steers Bring Firm Prices In Fort Worth Monday

Slaughter steers and yearlings brought firm to strong prices at Fort Worth Monday. Several loads of well finished cattle in the \$21 to \$22.50 bracket. Common and medium kinds sold from \$10 to \$17. Fat cows were steady at \$9.50 to \$12.50, and canners and cutters 25 to 50c higher at \$7 to \$9.50. Bulls ruled steady at \$8.00-13.50.

Good and choice fat calves were sold at \$14.00-18.00, and killing calves generally ruled weak to 50 cents lower. Cull, common and medium butchers sold from \$10 to \$14.

Good and choice stocker calves drew \$14.00-20.50, with heifer calves \$18.50 down, the top prices paid for a load of Mustang County calves from S. D. Howard. Stocker steer yearlings drew \$12.00-18.00. Replacement cows cleared at \$10.00-15.00.

Hogs sold \$1 higher. Hog growers balked in the face of recent low prices. Offered only 42,000 hogs around 12 major markets—25% below a week earlier. Top at Fort Worth Monday \$23.00-23.25. Sows steady at \$17.00-19.00.

Slaughter lambs weak to 50c lower at Fort Worth Monday. Other sheep and stockers and feeders steady. Active demand for stockers and feeders.

Better kinds of fat lambs \$18.00-20.00, quotable \$1 or so above that on the strictly choice kinds. Feeder lambs \$13.00-15.00. Old wethers \$7 to \$10. Slaughter yearlings \$10.00-15.00, feeder yearlings \$13.00 down. Two-year-olds \$10.00-12.00. Slaughter ewes \$5 to \$6.50. Solid mouthed ewes from \$7.00 to \$10.00.

Forecast of Texas Cotton Is One-Fourth Of Nation's Output

The Agriculture Department forecast a 1953 Texas cotton crop of 3,525,000 bales on Monday. This figure is just about average.

The average cotton crop for Texas in the decade of 1941-51 was 3,020,000 bales. Last year the state gathered about three and three quarter million bales. Texas' cotton crop was estimated at 70 per cent of normal as of August 1.

This year's yield was forecast as 182 pounds per acre. Average yield in the 1941-51 period was 183 pounds.

The United States cotton crop forecast is 14,605,000 bales, meaning that Texas will produce about one-fourth of the nation's cotton for 1953.

Grassy Waterways Dispose of Runoff Water From Terraces

By Joe Zajicek
Many farmers in the area are in need of terraces to walk the excess water off the cropland rather than let it run off the spillover, taking valuable top soil along with it. Many of these farmers are now ready to install the terrace systems, but the ever present problem of finding a place to put the water is always there.

Will Kuzel, Dr. Marvin Bartlett, Edwin Fischer, Robert Engleke, E. E. Odum, Steve Polzer and Gordon Baskin are some of the few farmers in this area who have solved this problem by developing a wide grass strip that will pick up the water at the terrace outlets, spread it out and carry it to the bottom of the slope or to a natural drain.

These waterways are designed to carry the greatest run-off expected in a ten year period and are wide and flat so they can be mowed and even fenced and grazed where the acreage is large enough to justify fencing. Bermuda grass and King Ranch bluestem are the two main grasses used. Bermuda is sodded or sprigs in the fall or spring in soil where moisture is sufficient to support its growth and King Ranch bluestem is seeded in the spring on the more drouthy soils.

Since waterways are usually the first and also the most difficult conservation job to do, district supervisors urge all farmers needing terraces to start making plans for the waterways as soon as possible. Soil Conservation Service technicians are available through your local Soil Conservation District to help with the technical phases of all your soil conservation problems.

San Antonio Area First in Nation At Recruiting Marines

Figures released recently by Marine recruiting headquarters in Washington, D. C. have revealed that the San Antonio area recruiting station is first in the nation when it comes to recruiting Marines.

The figures also placed the five state district of Texas, Louisiana, Oklahoma, Arkansas and New Mexico as being the leading district in the nation.

San Antonio in capturing first place attained an overall percentage figure of 169.3% of their assigned quotas for the 12-month period ending June 30, 1953. This was almost 10 percent above the nearest recruiting station, Huntington, West Virginia, which had a 159.8 figure.

The Eighth Marine Corps Reserve and Recruitment District, comprised of the above five states, had an overall figure of 137.23 percent of assigned quotas, also a comfortable margin above the next highest district.

Veterans Can Attend Evening School, And Hold Present Job

H. J. Boehm, registrar of Blinn College at Brenham, has announced a special meeting of interest to veterans in this area.

Korean veterans (any veteran who served in the Armed Forces after August 20, 1950) who are interested in taking advantage of educational benefits and subsistence provided for them in Public Law 550 should attend a meeting at the American Legion Hut in Ledbetter Park in Cameron at 7 p. m. Thursday, August 20.

The purpose of the meeting is to explain to the veterans the

educational benefits and subsistence to which they are entitled. Veterans may obtain an education and at the same time draw from \$50 per month to \$160 per month subsistence by attending the evening school in the American Legion Hut in Cameron. The school will not interfere with the veteran's job.

All veterans are encouraged to attend this meeting and learn about the benefits which they may obtain.

Milano Methodist Church Service will be held next Sunday at the Milano Methodist Church at 11 a. m. and 8 p. m. Sunday School meets at 10 a. m. WSCS is on Monday at 4 p. m. Prayer meeting is Wednesday at 8 p. m.

In every way, more car for your money!

Ford gives you V-8 power like that of costly cars... fine car build... fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features... but to get the full story, you'll find it worth your while to Test Drive a new Ford today!

Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-leveling "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!

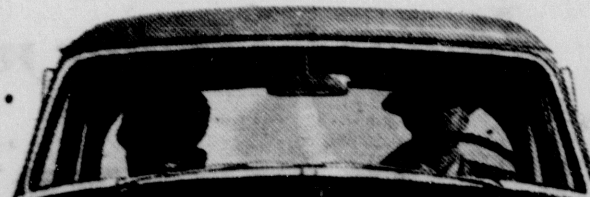

An extra suitcase will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field... compares with that of many cars of higher price.

Center-Fill Fueling permits filling your Ford from either side of the pump... saves you time when refueling... and puts an end to hose scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field... another reason your Ford is worth more when you buy it... when you sell it, too!

8,000 Expected For Missionary, Youth Meet at Paul Quinn

Some 8000 Texas AMEs are expected to attend the 82nd Ministerial Institute and Missionary, Youth and Lay Congress when it convenes from Wednesday, August 26 through Sunday, August 30 at Paul Quinn College, Waco, with the Rt. Rev. Joseph Gomez, prelate of Texas, presiding.

The program committee, which is composed of all the Presiding Elders of the Texas Conferences, has formulated a program aimed at alerting both Ministerial and Lay Delegates to future trends in world society, using as a theme—"Under God—One Parish."

This congress will see the introduction of some new features, a panel discussion on Friday, August 28, at 4:00 p. m. on Future Programs of the Layman League, with W. C. Day, president of the Texas Laymen's Movement, as chairman of the panel; and the Youth Congress will elect its officers and members to serve on its executive board on Saturday.

On Sunday, August 30, at 3 p. m. 14 AME choirs will compete for State Championship in a contest of choirs.

Fourteen-months old Barbara Hilland, little daughter of Mr. and Mrs. H. E. Hilland of Houston, entered St. Edward Hospital August 6 for medical treatment.

Belton Boy Injured As Shell Explodes

A Belton boy, Edward West, was seriously injured Sunday when a "dud" 90mm shell exploded at his home. His father, A. B. West, and younger brother, Donald, were less seriously hurt.

The father had bought the shells from two boys in the Fort Hood vicinity. Edward, 11, and Ronald, 5, were trying to open the shell with a screwdriver when the explosion occurred.

Fort Hood authorities have repeatedly warned civilians not to pick up ANY shell in the area.

Clarence D. Yount Joins Naval Reserve

Clarence David Yount of Rt. 1, Cameron has enlisted in the Naval Reserve, according to the U. S. Naval Reserve Training Center in Waco.

He has been assigned to recruit indoctrination. Yount will begin serving his eight years military obligation required of all men reaching 18½ years of age. He expects to serve in the U. S. Navy upon being called to serve his draft obligation.

L-145 Cotton Defoliation Guide in Texas, has been revised and the publication is now available at the offices of county agents. Special attention has been given to defoliating drouth stunted cotton plants.

Heart O' Texas Rodeo Producer Is One of Youngest

Tommy Steiner, 27, is one of the youngest rodeo producers in the business but he is one of the busiest and will present 21 shows this year.

One of his biggest engagements if not the biggest, is the rodeo of the Heart O' Texas Fair in Waco, Sept. 26 through Oct. 4.

An idea of how important he considers the Waco show can be gained from the fact that he passed up the Memphis, Tenn., rodeo to put on the show for the Heart O' Texas Fair. He presented the Memphis rodeo in 1952.

After leaving the service, he and Wild Bill Elliott became partners in producing rodeos but Elliott sold his interest to Steiner because of television and movie commitments.

MILANO NEWS

Mrs. Dan Robinson

The weather still continues hot and dry with no prospect of rain. The temperature in Milano last week was over a hundred degrees each day.

Vacation Bible School of the Methodist Church came to a close Friday with closing exercises Saturday night. The children had a program and showed the work they had done. Instructors this year were Mr. and Mrs. R. E. Ledbetter Mrs. Willard Pierce, Mrs. Jewell Stewart, Miss Gertrude Jones, Addie Mae Kirk, and Sue Ann Mills. The Methodist revival closed Sunday night. There have been good crowds each night. Rev. Box has done some wonderful preaching. There were six additions to the church.

Mrs. L. J. Eastwood and daughters and granddaughter of Luling spent the week here with her father, R. E. Thweatt, and attended the revival at the Methodist Church.

Billy George Miller has been sick and made a trip to a Dallas hospital. He is better now and able to be back at his job at the gravel pit.

E. C. Westbrook, vocational teacher in the Milano High

School, attended a teachers' meeting in Dallas last week.

Mr. Acuff received the sad news last Wednesday of the death of his mother in Austin. She had been ill for several months. They also received news that their son in Korea was well. They had not heard from him in some time so this was good news.

William Russell and sister Marie of Fort Worth were called here Wednesday to see their father who was ill. He is in St. Edward Hospital in Cameron and is improving.

Visitors in the L. B. Dukes home last week were Mrs. Louie Beckhausen and son, Jack of La-Marque, Texas. Mrs. Beckhausen and Mrs. Dukes are sisters.

Mr. and Mrs. Reuben Mills and family attended the Mills family reunion at Cameron recently. A large crowd gathered for this annual occasion.

Mr. and Mrs. Curtis Miller, accompanied by Mr. and Mrs. Spek Elliott and Bobby of Cameron, left Sunday morning for Carlsbad, N. M., and other places of interest. They plan to be gone several days.

Miss Gertrude Jones accompanied her aunt, Mrs. J. T. Robinson to her home in Austin Saturday and will visit there for

Mr. and Mrs. Isaac Newton West Celebrate 50th Anniversary Sunday

Many friends called at the H. H. Pruett home Sunday afternoon to wish Mr. and Mrs. Isaac Newton West a joyous Golden Anniversary.

Arrangements of golden mums were used throughout the house in keeping with the occasion.

Mrs. West greeted guests in an afternoon dress of navy blue with a gold orchid corsage, while Mr. West wore an attractive gray suit. The couple were most appreciative of the kind wishes and lovely gifts which the callers brought.

Mrs. Markham and Mrs. Harrison presided at the guest register.

Rev. Aubrey F. Russell, pastor of the Wests, spoke briefly of their long and happy life together, closing with prayer.

Center of interest on the attractively decorated refreshment table was a large gold and white wedding cake, surmounted by a gilded bell and the gold figures "50." The cake was a gift from Mrs. Birdie Key and May Bell Buffington of Hearne, nieces of the Wests.

Miss Lu Wane Asher cut the cake and Miss Sammie Dell Markham served punch. Misses Patsy Ray Flowers of Houston and Gloria Jane Pruett of Austin, nieces of the Wests, assisted in serving. The four girls wore formals.

Out-of-town guests for the occasion were Mr. and Mrs. L. E. Barnhill and sons of East Bernard, Texas; Mr. and Mrs. H. D. Pruett and family, Mr. and Mrs. R. C. Flowers, Lenora Glover and Mrs. St. Claire Byrne, all of Houston; Mrs. Birdie Key and Miss May Bell Buffington of Hearne; Mr. and Mrs. Pinkney Pruett and daughter, and Mrs. L. B. Goodson of Austin; Jessie Lee Buffington of San Antonio; Mr. and Mrs. Bill Turner of Dallas; L. R. Buffington of Caldwell; Mrs. J. H. Blackwell and daughter, Mildred, and Mrs. Alvin Bourner of Wharton; Mr. and Mrs. Charles Russell of Yarrington; Mrs. Frank S. Bonura and Mrs. Clara Skinner of Rockdale; Mr. and Mrs. James Baggett of Milano; Mr. and Mrs. John Cherry of Bay City and Willis Blackwell of Eagle Lake.

Homemakers Class Enjoys Social At John Hause Home

The Homemakers Class of the First Baptist Church Sunday School met in the home of Mr. and Mrs. John Hause on the evening of Thursday, Aug. 6.

Mrs. Annie Reece, president, presided during the business meeting. After prayer was offered by Mrs. John Jinks, teacher of the class, Miss Alice McGeehe gave the evening's devotional.

Mrs. H. H. Pruett led the members and guests in a series of games at the social hour which followed.

Mrs. Hause served ice cold watermelon slices to the thirty-odd ladies and their husbands.

After a tour of the Hause home which has recently been remodeled, the group sang "Blessed Be the Tie That Binds," led by Hinton Pruett.

Mr. and Mrs. Deer Return From California

Mr. and Mrs. Sam Deer have recently returned from a vacation in California. They reported that the weather was wonderful.

Among the places of interest visited by the couple were Catalina Island, Valverde Hills, Long Beach and Knott's Berry Farm. At the latter they saw a realistic ghost town, complete with wax figures in lifelike poses.

While in the Los Angeles area, Mr. and Mrs. Sam Deer made a tour of Hollywood.

Wedding Vows Unite Mary Ann Stoeber, William Gleason, Jr.

Mrs. George Logan

In an early morning ceremony on Monday, August 3, Miss Mary Ann Stoeber became the bride of William T. Gleason, Jr. The ceremony was performed in the St. James Catholic Church in Dallas.

The bride is the daughter of Mr. and Mrs. A. W. Stoeber of Dallas and the cousin of Mr. and Mrs. Phil Krause of Burlington.

Given in marriage by her father, the bride chose a waltz-length gown of white imported Swiss organdy as her wedding attire. The gown was appliqued with tiny lace flowers. She carried a cascade bouquet of white gladiolas and stephanotis and a crystal rosary.

Immediately following the ceremony, a reception was held at the home of the bride's parents.

After a short wedding trip Mr. and Mrs. Gleason will be at home in Dallas.

Mr. and Mrs. Krause and their daughter, Judy, of Burlington attended the wedding.

Mills Families Have Reunion on Tuesday

A large crowd was present at the 33rd annual reunion of the Mills families which was held Tuesday in the Cameron city park.

The only living immediate member of the old Mills family was Mrs. Ada Isabella who came from Cordell, Okla., for the occasion. Two cars of other relatives also came from Oklahoma.

A picnic dinner was served at noon. Later the group enjoyed a watermelon cutting. Henry Mills of Liberty annually furnishes melons for this reunion.

INTRODUCING

Resignations Of Two Teachers Given At Board Meeting

The resignations of Mrs. Charles Hicks and James Cain as faculty members of Ada Henderson School were accepted by the board of the Cameron Independent School District at their meeting Wednesday night. Mrs. Hicks has accepted a position in the Austin School system and Mr. Cain will teach in the Thordale school system.

At the Wednesday meeting it was decided to erect a steel fence around the newly-acquired Tuttle property. This land in the northwest corner of the school campus will serve as a playground for the elementary grades.

The First National Bank was designated as depository for school funds for the coming two years, beginning September, 1953.

Renovations on the Ada Henderson cafeteria are about complete. New tables, chairs and stainless steel serving equipment have been installed and the interior has been modernized and decorated.

Attention was called to the progress being made on the vocational building and the O. J. Thomas gymnasium. Completion of the vocational building is expected in three to four weeks, while the gymnasium should be finished early in 1954.

A topographical map of the newly-acquired Green property was submitted to architects in order that they may proceed with their preliminary plans for the new elementary school.

The positional of vocational teacher for Yoe High School has not yet been filled. Otherwise, the faculty is reported to be complete.

TRADE IN CAMERON

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

Let us demonstrate all the advantages of buying a Chevrolet now!

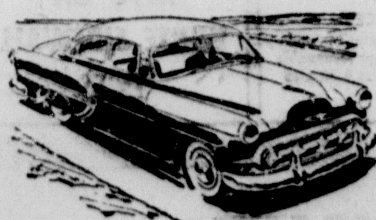

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

SOCIETY in The News

John David Matula Arrives Home From Two Years in Europe

A-1c John David Matula arrived about 6:30 p. m. Thursday from a two-year tour of duty in Europe. He is the son of Mr. and Mrs. Albert Matula of Cameron.

Young Matula had served in France and Germany with the Air Force for nearly two years. He has now received his discharge.

The Matula family will leave Saturday morning for Corpus Christi to visit Mr. and Mrs. Earl Esslinger and family. Mrs. Esslinger is the former Margaret Matula. The Matulas will be especially interested in seeing their new little grandson, who arrived July 24.

MAY I PRESENT

Richard Gary Esslinger, new little son of Mr. and Mrs. Earl Esslinger of Corpus Christi. Ricky was born July 24 and weighed 7 pounds and 10 ounces.

Ricky is welcomed by two brothers, David, 3, and Michael, 21 months.

His maternal grandparents are Mr. and Mrs. Albert Matula of Cameron.

ATTEND CELEBRATION

Mr. and Mrs. C. B. Gilbert of Cameron attended the celebration of Mrs. Viola Offield's 82nd birthday in San Gabriel on Sunday.

A barbecue dinner with all the trimmings was spread. The honoree received many nice gifts for her birthday.

Green McFarland entered Newton Memorial Hospital August 6 for medical treatment.

Miss Kaye Gilliland Becomes Bride Of Mr. Herman Hairston

Given in marriage by her brother, Troy Gilliland, Miss Kaye Gilliland became the bride of Herman Hairston on the afternoon of Sunday, August 2. Rev. Howard Buchanan of Waco performed the double ring ceremony in the Liberty Community Church.

The bride is the daughter of Mrs. Jim Gilliland of Liberty. Parents of the groom are Mr. and Mrs. Guy Hairston of Milano.

On either side of the church altar stood graceful baskets of pure-white asters.

For her wedding dress, the bride chose white embroidered organdy. She carried a shower of white carnations circled by filmy pink net upon a white Bible. Slender satin streamers fell from the bouquet.

Miss Faye Gilliland, twin sister of the bride, served as maid of honor; Miss Maribeth Fisher was bridesmaid. Each was attired in a dress of blue organdy with pink carnation corsage.

Claude Spence served as best man.

The couple are both graduates of Milano High School. They will make their home in Houston where both are employed.

Baptist Revival

The Baptist revival at Liberty will begin Friday night, August 14. Services will be held each evening at 8 p. m.

Speaker for the revival will be Rev. Howard Buchanan.

Revival at Marlow Baptist Church Will Begin August 21

The Marlow Baptist Church revival will begin Friday, Aug. 21, it was revealed recently by Rev. R. B. Baker, pastor. Services will be held each night at 8 o'clock, preceded by prayer services at 7:45.

Rev. Dick Wentworth, assistant pastor at the Seagoville Baptist Church, will do the preaching. He is a graduate of Baylor University and the Southwestern Theological Seminary at Fort Worth.

Rev. Wentworth has conducted a number of revivals in Central Texas. He is especially known for his work among the youth of Texas Baptists, conducting youth revivals in some of the major cities over the state.

Rev. Baker will direct the song services and booster band activities. Mrs. Theo Burnett and Max McClaren will serve as pianists.

The revival will continue through Sunday, August 30. The annual homecoming day has been scheduled for that date. Everyone is invited to attend the services.

Miss Rita Hanel And Lawrence Greenwood Will Wed August 23

Mr. and Mrs. Frank Hanel announce the approaching marriage of their daughter, Rita, to Lawrence B. Greenwood, son of Mr. and Mrs. L. S. Greenwood of Collegeport, Texas.

The wedding will take place at St. Monica's Catholic Church on August 23, 1953 at nine o'clock in the morning.

GO TO CHURCH SUNDAY

Representative From Brooklyn Speaks To Jehovah's Witnesses

The Cameron congregation of Jehovah's Witnesses are anticipating a wonderful week resulting from a visit by W. Phillips, a traveling representative of the Watchtower Society of Brooklyn, Fred W. Starnes said Monday.

"Through extensive study and training, Phillips is a qualified lecturer," Starnes said, "and will render to the local group the aid in Theocratic training he determines from observation throughout the week."

The visit will be climaxed by a discourse Sunday, August 16, at 3 p. m. Subject material will be drawn from the Bible and current world events.

Herb D. Holloway Is Evangelist For Tabernacle Revival

Evangelist and Mrs. Herb D. Holloway of Waco began leadership of the Cameron Gospel Tabernacle revival Monday at 7:45. They are assisted by Rev. Holmes of Waco who is directing the special singing.

Services are being held at 7:45 every night this week in the big tent located in the 11th Street section of the City Park. This section is the side where the pavilion and playground are located.

Rev. Holloway is the son of Mr. and Mrs. J. H. Holloway of Cameron. A graduate of Yoe High School, he has attended Baylor University in Waco.

Mrs. Holloway will be remembered as the former Miss Joyce Noe, daughter of Mr. and Mrs. C. Noe of Cameron.

Freedom Of Choice

You must join and pay dues to a labor Union, or else give up your job—that is a compulsion which is now being imposed upon hundreds of thousands of "free" American citizens.

Within the last few months virtually all the railroads of the country have agreed with the railroad Unions that all employees must become Union members and start paying dues and fees to the Unions and that those who are not willing to do so shall be promptly discharged, no matter how long or how competent they may have been working at their jobs. The same thing is widely spreading in other industries.

That this is as wrong as it could possibly be, seems beyond argument or question. The right and freedom to join a labor Union is no longer denied anywhere in this country. It is protected by Federal law. But the corresponding right and freedom to stay out of a Union is not so protected and is now becoming rapidly extinguished in this, our "land of liberty."

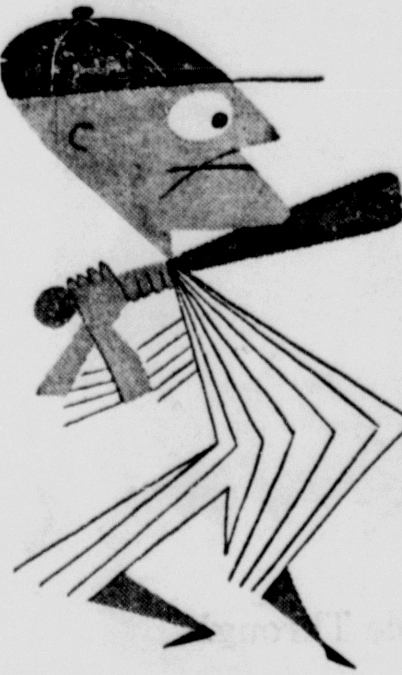

The matter is one that deserves a great deal more attention than it has generally been receiving. Thousands of employees the country over, who are not willing to join the Unions, have petitioned and protested, but so far in vain.

If this be not a form of tyranny, then what is it? It is a denial of individual freedom of choice. It is a levy of tribute, in behalf of private organizations, for the privilege of working and earning a living. It is an oppression of minorities and a compelled allegiance, which arouses natural and bitter resentment. It moreover creates a condition of monopoly, which in the long run will inevitably work to the injury of employers, employees and the general public alike.

The principle at stake is simple, basic and vital. Individual liberty means freedom to join a lawful organization and likewise freedom not to join. It means the one as truly as it means the other!

A bill has recently been introduced in Congress which would assure to every American citizen that he has a right to join a labor Union or not to join, as he may see fit, and that he shall not be subjected to any requirement or compulsion in either direction. This certainly ought to be the law in this land. It is to be hoped that those who share this conviction will so delare themselves to their representatives in Congress.
